**1. Opening and welcome** – Cameron McCulloch

**2. President's Report** – Cameron McCulloch

- It was decided that the AGM be held at the start of the season as a strategy to get more participation, particularly from our junior cohort and to schedule it along with our open day/season start.
- There was a strong performance by teams in the senior and junior competitions over the last season
- Strong membership including 61 in our Blasters program, 11 junior teams and 1 combined girls' team
- Playing Shirts – This year, shirts were not included in registration as most have shirts from the previous season and it was decided that shirts would be available via the ICON online store for personal purchase. New improved caps were included as part of registration this year.
- On-going COVID uncertainty along with moving into our new clubrooms has had a financial impact on the club and there will be some further outlay in addition to what we have spent so far.
- Last season was cut short which meant less proceeds from the bar and this has also contributed to overall losses

**3. Treasurers report** – Mohammed Ali

Financials were presented by the Treasurer Mohammed Ali as follows:

Overall loss \$13 579

Total income: \$58 633.56 (down from \$85 595.22 in 2021)

Profit (less expenses \$72 697.92): \$14 064.36

**Bank accounts:** The closing balance (as of 30/6/2022) \$20 487.75.
